Hon. Frank Cooney  
Governor of Montana  
Helena, Montana

My dear Governor Cooney:

I know you have done all you possibly can for the Missouri River Diversion, for the establishment of dams, and for reforestation work in these northwestern states.

For your information I am enclosing herewith copy of a letter written to Governor Bryan, which is in response to a telegram, an original of which he likely sent you.

I think that if all of us go down the line for reforestation and the building of thousands of dams out here, it is bound to have a mighty good effect.

With kindest regards, I am

Sincerely yours,

Governor
